That old saying "Cost of Living" may tell you you should save money, but should use all you make to support him.

Why not foul him just once, and show him that you can, by a little temporary self-denial, put a slice off HIM and put by a few dollars for that rainy day?

You can.

**Morning on  
'CHANGE**

Pessimistic reports of overproduction  
of pineapples seem to strengthen  
confidence in the value of Hawaiian  
Pineapple shares, as indicated by a  
strong upward movement in this stock  
on the local exchange this morning.  
These shares broke sharply about a  
week ago from around 36 to 31, and  
have since been fluctuating around 32  
with demand weak. This morning a  
small sale was made at 33 flat, with  
23 bid at close and 34 asked. Sugar  
shares generally continue weak. Hawa-  
ian Sugar fell off 1/2 point, selling at  
20 1/2, with 20 bid and 21 asked; 14  
shares were changed hands between  
boards at the old figure of 17, while  
70 shares of Olaa brought the old  
price of 1 1/2.

## JAPANESE TAKING KEEN INTEREST IN PINE SITUATION

A great deal of interest is naturally  
being taken by the local Japanese in  
the present condition of the pineapple  
market, since a large number of per-  
sons of this nationality are directly or  
indirectly interested in growing the  
fruit for sale to the various canneries.  
According to the Hawaii Hochi there  
are some 220 individual Japanese in  
the pineapple business on this island.  
These control some 7320 acres of land,  
of which about 6500 acres are produc-  
ing or about to come into bearing.  
From this area it is estimated that  
about 29,000 tons of fruit will be har-  
vested this year, equivalent to some  
600,000 to 750,000 cases. If these fig-  
ures are correct, the Japanese control  
something like one-third of the entire  
crop.  
The Hochi quotes one leading Jap-  
anese grower to the effect that the  
Japanese generally believe a cut of 5  
per cent would have been sufficient  
to move the pack readily, and further  
that the holdover pack is not exces-  
sive or alarming. There is no sug-  
gestion that the Japanese have any  
notion that the pineapple business is  
not a good one still, and that the fu-  
ture does not look good.

## EGGS SHIPPED BY PARCEL POST ARE RECEIVED SOUND

Shipping eggs by parcel post has  
proved to be a complete success if  
one may judge from the shipment re-  
cently received by Joseph R. Farrington,  
who makes a specialty of White  
Plymouth Rocks. Mr. Farrington has  
recently purchased some prize birds  
from a Mr. Nolt of South Dakota.  
Wishing to test the parcel post sys-  
tem, Mr. Nolt offered to send a set-  
ting of prize bird eggs if Mr. Farrington  
would report on them. The eggs  
arrived by a recent mail, fifteen in all  
and every one of them whole and  
sound. The postage amounted to 48  
cents. The eggs were packed in a  
sort of paper or cardboard crate, not  
bulky or cumbersome. The shipment  
proved conclusively that eggs can be  
shipped by parcel post, and a distance  
of 3000 miles makes no particular dif-  
ference.

## 'JONESY,' OLD HARVARD BELL RINGER, IS DEAD

CAMBRIDGE (Mass.).—"Jonesy," the  
bell ringer, widely known among  
Harvard men, died at the home of his  
son-in-law, former Mayor Walter C.  
Wardwell. He was 88 years old.

The Hilonian, from the Northwest  
yesterday, brought to Henry May &  
Co., Ltd., the following: smoked kip-  
pered salmon and kippered herring,  
in bulk. Phone 1271.—advertisement.

An old box containing 180 wish-  
bones, from almost every conceivable  
fowl native to New York state, was  
found recently in an old house which  
was being torn down in Cobleskill, N.  
Y. The house was once occupied by  
Isaac van Wormer, an oldtime hunter  
and trapper, who probably collected  
the specimens.

## PLANS FOR NEW HOME FOR ELKS ARE SUBMITTED

Good progress is being made by the  
local lodge of Elks in connection with  
their proposed new building, which  
will be built on the site of the old Y.  
M. C. A. building at the corner of  
Alakea and Hotel streets. As told in  
the Star-Bulletin several weeks ago,  
the Elks have in mind the construc-  
tion of a four-story, reinforced con-  
crete structure, the ground floor of  
which will be arranged for store  
rooms and the upper floors for club  
and lodge purposes. Emory & Webb,  
architects, have just submitted pre-  
liminary plans for the building, which  
have been very favorably commented  
upon by the members of the lodge who  
have seen them. The building, it is  
estimated, will cost about \$60,000, ex-  
clusive of furnishings.  
The Elks' present quarters on King  
street are held under lease from the  
Cooke estate, and have about two  
years yet to run. The membership of  
the lodge now numbers about 500,  
and new quarters are badly needed.  
The building committee of the Elks,  
which has the preliminary work in  
hand, consists of J. H. Fisher, Dr. C.  
B. Cooper, J. A. McCarthy, Fred  
Cooper, J. A. M. Johnson and S. A.  
Walker.

## CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" best for  
tender stomach, liver, bowels  
—tastes delicious.

Look back at your childhood days.  
Remember the "dose" mother insisted  
on—castor oil, calomel, cathartics.  
How you hated them, how you fought  
against taking them.  
With our children, it's different.  
Mothers who cling to the old form of  
physic simply don't realize what they  
do. The children's revolt is well-  
founded. Their tender little "insides"  
are injured by them.

If your child's stomach, liver and  
bowels need cleansing, give only deli-  
cious "California Syrup of Figs." Its  
action is positive, but gentle. Millions  
of mothers keep this harmless "fruit  
laxative" handy; they know children  
love to take it; that it never fails to  
clean the liver and bowels and sweet-  
en the stomach, and that a teaspoonful  
given today saves a sick child tomor-  
row.

Ask your druggist for a 50-cent bot-  
tle of "California Syrup of Figs,"  
which has full directions for babies,  
children of all ages and for grown-ups  
plainly on each bottle. Beware of  
counterfeits sold here. See that it is  
made by "California Fig Syrup Com-  
pany." Refuse any other kind with  
contempt.—advertisement.

## "DOWN IN DIXIE" BY COMPANY D. N. G. H. IS LARGE SUCCESS

"Down in Dixie," staged for the sec-  
ond time by the members of Com-  
pany D. N. G. H., last Saturday  
night, was an improvement over the  
same production of a couple of days  
before. It was a case of practice  
making perfect. For amateurs, it was  
the best that has been seen in this  
city. Those in the cast made the  
most of the situations that came  
their way and in a most creditable  
manner.

There was a much better house at  
the last performance than at the first  
one and the appreciation of the au-  
dience was made manifest through the  
evening. There are several in the  
cast that might make a stir in the  
theatrical world if they should elect  
to follow that profession.  
Every cent that was taken in at the  
two performances, over the actual  
expense of the production, will be  
used in fitting up the armory quar-  
ters of Company D.

## A WOMAN DOCTOR

says, "Eugenics is a necessary factor  
in the future of the race. The aver-  
age American girl is unfit for moth-  
erhood." This may be true, but if weak  
and ailing girls passing from girl-  
hood to womanhood, would only rely,  
as thousands do, upon Lydia E. Pink-  
ham's Vegetable Compound—that sim-  
ple remedy made from roots and herbs  
—to restore the system to a normal  
healthy condition, it would cause many  
ills from which they suffer to disap-  
pear, so that motherhood might be-  
come the joy of their lives.—adver-  
tisement.
